

**RHYME Manager
-for-
Twenty-Five Dollars (USD)**

Manasseh is running a book named RHYME. We are asking you to be a RHYME Manager. The work is very simple; you write down the rhymes you hear (voice or voices) and load them into our website. Each person that subscribes to your RHYME database will pay \$10 per month; you get \$2 of that, with a maximum of 1000 subscribers. Your statement is: I will enter the rhyme pairs that I hear into the Manasseh RHYME website. I agree to pay each month to Manasseh:

**Twenty-five Dollars (USD)

RHYME Manager**

If you stop paying in the \$25/month, then the \$2/month payments out will stop also.
